

Laura earned her Biology degree magna cum laude in 1993 from the University of Rome “La Sapienza” and completed a Post-graduate Research Fellowship at Hôpital Necker-Enfants Malades in Paris. She obtained a Master’s degree in 2009 and a Specialization in Reproductive Medicine in 2015 from the University of Padua.

Since 2016, she has been an Adjunct Professor at the University of Urbino “Carlo Bo,” becoming an Associate Professor in 2022. She has authored more than 250 articles and presented at over 300 scientific meetings.

In 2008, she co-founded the GENERA IVF Centres in Italy. In 2021, she helped create the European IVF clinic network, now part of IVI-RMA Global Research Alliance, where she is on the Scientific Advisory Board.
